TRANSFORM-A *Nation*
NON-PROFIT ORGANIZATION

Working Towards A Brighter Future

"Healed families
transform nations"
-Tammy Braswell
M.S., M.Ed

Welcome to Transform-A-Nation!

We would love for you to join our Transform A Nation (TAN) family, so we can provide you with the tools and resources you need to make healthy life decisions. We believe healed families lead to transformed nations, so we are committed to creating an atmosphere where you and everyone connected to you can thrive whole and find purpose.

Our Vision

Transform A Nation envisions a world where all children and families have the opportunities and tools to thrive independently in all areas of their lives.

Our Mission

To address mental health in children and adults by providing a strong network of support, and comprehensive clinical and community services.

Who We Serve

Here at TAN, we believe that it takes a village to reach your transformed place. Our highly trained staff of licensed clinicians and professional staff are committed to providing the highest level of care to children, teens, transitioning ages, adults, and our specialty, foster care youth.

Outpatient Mental Health Clinic (OMHC)

Our OMHC offers a path towards healing through an interdisciplinary team approach, including combining evidence-based therapeutic interventions with medication management. Some of our services include:

- Individual Therapy
- Family Therapy
- Couples Counseling
- Pastoral Counseling
- Medication Management
- Evaluations and more

Supportive Employment (SE)

The SE program is created to identify and provide targeted job matching, employment placement, and on the job training for individuals living with mental health challenges. Our team will assist you in creating a job development plan based on your skills, interest, and past employment experience. Some of our services include:

- Job Search Assistance
- Cover Letter & Resume Development
- Interviewing Skills Preparation
- Business Etiquette Training

Psychiatric Rehabilitation Program (PRP)

Our PRP provides community-based comprehensive rehabilitation and recovery services and supports and promotes successful community integration and use of community resources. Some of the challenges we provide support in are:

- Establishing/maintaining peer relationships
- Budgeting/Financial problems
- Decreasing verbally aggressive and/or threatening behaviors
- Developing healthy relationships
- Parenting skills
- Vocational skills
- Obtaining entitlements
- Nutrition and dietary planning
- Coping skills
- Social skills and more

Our Specialized Groups

Our program uses groups to fully engage you and your family in the healing process. Our specialized groups are developed to educate and provide you with a supportive network and function as a safe space while you grow, achieve stability, and flourish in your family and community.
